Write down anything else you feed your rabbit. _____

There are many things you have to do to take care of a rabbit. Feeding, watering, grooming, practicing showmanship, clipping nails, taking care of health problems and cleaning cages are just a few of the things you have to do. Some of these things are done every day and some are done weekly or monthly. Help me to find out what things you do to help.

List three things you do every day _____

List 2 things you do once a week _____

List 2 things you do once a month _____

List one thing you do once a year. _____

What is your favorite job? _____
