

Newaygo County Fair

Swine Notebook Requirements

For 16-19 years old/Club Hog:

**** see below for all guidelines for club hog****

1. Photographs of your pig at least 6 at different times of the project at least 4 with exhibitor.
2. Include a chart or describe the growth stages of a pig from weaning to market weight. Show or discuss the relationship between pounds of feed consumed versus weight gained.
3. Feed Records (see attached sheet)
4. Journal entry every week from week of Spring tag in to July 15th. (Examples of entries: moved pig in larger or different pen, changed feed, walked pig, worked on showmanship, worked on notebook requirements, etc... Things that won't be accepted are fed pig, water pig, etc...)
5. Find an article to read about hogs and describe what you learned in an essay. Include a copy of the article.
6. In 50-100 words tell about your experience, the strong and weak points of your project and why you chose to show this particular hog.
7. Share a pork recipe that you and your family enjoy.

****This is the information that you need to fill out for a club hog. Also, must including a picture of club with your club hog and what your club plans on doing with proceeds.**
