

NEWAYGO COUNTY MARKET GOAT NOTEBOOK

Market notebooks are **REQUIRED** for all market goats. Exhibitors must submit cost records for market goats (estimated, using the first day of the Fair as the final date) to the Fair office by July 15th of the current year. Failure to turn in Market Notebooks for judging will disqualify market animals from participating in the small animal sale.

This record is a part of your Market Goat Project work. By keeping records up-to-date you will be able to see how much progress you make as you set goals and work to accomplish them. Write neatly and clearly. Your notebook should be displayed in a hard cover three-ring binder or folder that contains each year's notebook from previous market goat projects. Your current year notebook should be in the front, and each year prior should follow behind. Be sure each year is separated with a tab divider which clearly marks the year of the project.

Feel free to add any additional pages to this notebook or pictures of your project!
