PROJECT ANIMAL CERTIFICATION: We certify that we will not have administered to the animal(s), nor has it received, any substance not approved by the Federal Food and Drug Administration (FDA), the 4-H and youth fair for slaughter/breeding stock/exhibition animals. This includes, but is not limited to: Diuretics, steroids, repartitioning agents, tranquilizers, antibiotics, and analgesics. We also certify that, with respect to any drug, chemical or feed additive approved by the FDA and /or USDA for slaughter animals that no illegal use of approved chemical/compounds has taken place and that the applicable withdrawal period as recognized by the FDA has expired prior to shipping out of market livestock on any and all approved chemicals/compounds administered. We acknowledge and accept the fact that all animals entered in the fair maybe subject to blood, urine, and tissue tests and the fair reserves the right to disqualify any animal, either alive or slaughtered, found to be in violation of the use of drugs, chemicals or feed additives as described above, in the fair book, or listed in the policies and procedures. Disqualification will result in the placing(s) of the animal in question being voided; the forfeiture of any and all ribbons/trophies/special awards earned with the animal(s); the assessment of a fine against the total premiums due equal in the amount to the premium(s) earned with the animal(s); voiding of the sale(s) if the animal(s) has been sold in the Livestock Sale. We will allow the designated tester/veterinarian to draw any and all samples deemed appropriate from our animal(s).

We will indemnify and hold harmless the Newaygo County Fair and all of its sponsors and assisting organizations and their employees and agents against all legal or other proceedings in connection with said testing procedures. We will indemnify and hold harmless the Newaygo County Fair and all of its sponsors and assisting organizations and their employees and agents against all claims of injury to the animal and any damage or injury to any person or property caused by the animal. We acknowledge that swine are native to the State of Michigan. If my swine was purchased outside the State of Michigan, proof of origin and pseudo rabies testing and documentation will be provided if asked for.

PROJECT ANIMAL CARE: We, the above signed exhibitor and parent/guardian have read , acknowledge, accept and will abide by the animal care, housing and maintenance rules as set forth by County 4-H, the Fair book and appropriate species rules. We acknowledge that the above mentioned animal(s) have been under our daily care since the initial tagging or project registration date. Proper care (feeding, handling, etc.) of project animals and maintenance (cleanliness, neatness, etc.) of assigned fair housing is the responsibility of the exhibitor. Project animals must be cared for in accordance with commonly accepted feeding/handling practices and the animal's pen/stall cleaned and bedded as necessary on a daily basis and as outlined in the fair book. Proper care and maintenance of all animals and their assigned housing area will be monitored by the appropriate species Superintendent/Department Chairperson of the Newaygo County Fair.

EXHIBITOR AND PARENT CODE OF CONDUCT: We agree to conduct ourselves with honesty, integrity and good sportsmanship. We will treat all animals, livestock show management personnel, fair personnel, judges and exhibitors with courtesy, cooperation and respect and shall not direct any abusive or threatening conduct toward them. Furthermore, we will not direct criticism or interference with fair personnel, livestock show personnel, judges and exhibitors in conducting activities associated with the event. We understand that any conduct that is contrary to these items will be brought before the Fair Board for review and may result in the disqualification of individual people or animals from the activities associated with the Newaygo County Fair.

ETHICAL AND HUMANE TREATMENT OF ANIMALS: We acknowledge that inhumane fitting and showing/handling practices or devices shall not be used. Furthermore, surgery, injection, or application of foreign materials under and/or into the flesh of an animal to physiologically or physically change the natural contour or confirmation of the animal is illegal. The abusive use of showing /handling practices or devices such as striking an animal to cause swelling, using electrical contrivances, insertion of foreign materials in the animal, or other such practices are not acceptable and will be prohibited. Violation of the above mentioned items could result in the disqualification of the exhibitor or animal. We acknowledge and accept the fact that the Superintendent/Department Chairperson for a given animal species and the Market Livestock Personnel may authorize the examination of a given animal for identification purposes and/or health related concerns in our absence, including obtaining the temperature of the animal in question.
